

Dogs and small pets on board the ferry

Dogs and small pets on board the ferry

At Samsø Rederi, dogs and other small pets are very welcome on board and may travel free of charge. We wish to ensure that everyone – you, your dog, and our other passengers – enjoys an optimal journey. Therefore, we have gathered a number of helpful tips for those travelling with a dog.

Dog lounge on board the ferry

This is the only indoor passenger area where dogs are permitted.

Please be aware that dogs are not allowed on the furniture, and it is not permitted to hold them on your lap.

You are welcome to bring a blanket or cushion so that your dog may lie comfortably on the floor.

As space in the dog lounge is limited, it is reserved for the dog and one owner only. Other travel companions and passengers without dogs are kindly requested to make room for the dog and its owner, and are therefore referred to the other seating areas on board.

The dog lounge is located behind the wall displaying our tourist brochures, along the corridor leading to **Exit A** (red door). You may wish to follow the paw prints on the floor.

Dogs in vehicles on board

A ferry journey offers many impressions, and many dogs feel more secure in familiar surroundings. Therefore, it is perfectly acceptable to leave your dog in the car during the crossing.

Prinsesse Isabella is a ferry that is open at both ends, so if you leave a window slightly ajar, fresh air will circulate into the vehicle.

Dogs and small pets on board the ferry

Dogs on the sun deck

You are welcome to sit with your dog on the outdoor sun decks. However, dogs are not permitted on the furniture.

Dogs must be kept on a lead

Out of consideration for other passengers, dogs must always be kept on a short lead.

If your dog has an "accident"

Should your dog have an accident, we kindly ask that you clean up after it. Our crew will be happy to assist by providing paper towels, cloths, or other cleaning materials.

Other small pets

You are welcome to bring pets other than dogs. However, they must remain in a cage, carrier, or stay in the car during the crossing. All other rules applicable to dogs also apply to other pets.

If you have any questions, please don't hesitate to speak to a member of our crew.

Samsø Rederi wish you and your four-legged friend a pleasant journey.
